

# FURTHER USE OF ENGLISH

## DURING

Look at these sentences.

Rainstorms are common **during** the summer.

Smith's Pharmacy stays open **during** the weekend.

Remember this:

We use **during** to talk about *when* something happens.

Now enjoy this comic strip with **during**.

Reprinted with special permission of King Features Syndicate, Inc.

## FOR

Look at this sentence.

It rained **for** nine hours yesterday.

Remember this:

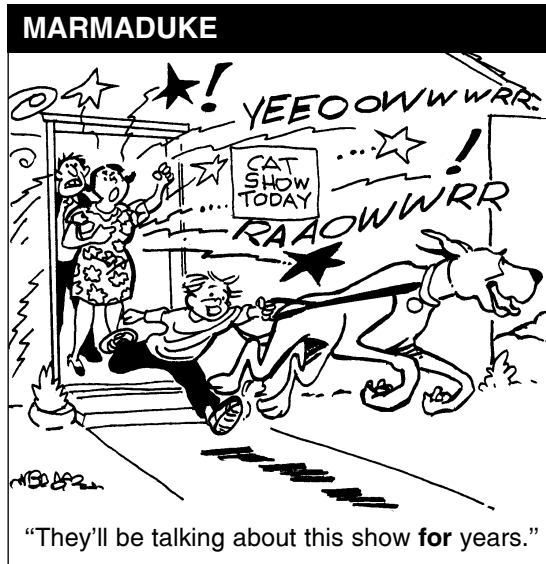

We use

**FOR + PERIOD OF TIME**

to indicate the total *duration* of an action or situation.

## FURTHER USE OF ENGLISH

Now read this cartoon with for. Have fun.

Reprinted by permission of United Feature Syndicate, Inc.

To sum it up:

### DURING OR FOR?

Look at this statement:

**During** the spring, my house was flooded **for** two days.

Remember that we use **during** to say *when* an activity or situation takes place, and we use **for** to talk about the *duration* of an activity or situation.
