THE EXERCISES ARE TO BE DONE AND CORRECTED **IN CLASS**.

MUST

Look at these examples:

Look at Steve. It's so early, but he's already going to bed. He **must** be very tired.

That boy **must** be Tony's son. He looks so much like him.

Now look at this chart. Notice that **must** is used with all persons.

I You He She It We You They	**must** be sick.

Must is followed by the infinitive without *to*.

I. Answer the following questions, as in the example.

Example: "Where is your sister?" "She must be at the club." (the club)

1. "Where are your brothers?" "They _____." (school)
2. "Where is your grandmother?" "She _____." (home)
3. "Where is your father?" "He _____." (the office)
4. "Where is your mother?" "She _____." (work)

I. 1. must be at school
2. must be at home
3. must be at the office
4. must be at work
