

MONTANA

The Treasure State. Major attractions: Glacier National Park, Yellowstone National Park and the Capital City of Helena.

CALIFORNIA

The Golden State. Mountains, deserts, vibrant cities and fantastic theme parks are California's major attractions.

NEW MEXICO

The Land of Enchantment. In the heart of the Southwest, this is a land of mountains, canyons, high plateaus, river valleys and ghost cities.

NEW YORK

The Empire State. Niagara Falls, Long Island and, of course, New York City are among its major attractions.

FLORIDA

The Sunshine State. Some of America's most famous tourist attractions are located here.

TEXAS

The Lone Star State. Second largest state (only Alaska is larger).
