

HAVING A GET-TOGETHER

TOM: Come on in, guys.

SUSAN: Nice place. Hey, where's Kate?

TOM: Oh, she's on the way. She'll be here soon. Sheila, one of Kate's friends, took her keys by mistake. When Kate got to her car, and opened her purse to get her keys, she realized they were missing. So, she went back to the office and looked everywhere in her desk. She was waiting for me to get home so she could call me when Sheila walked into the office with the keys in her hand. She was very embarrassed.

MITCH: I'm glad everything turned out OK.

TOM: Let's order pizza so it will be here when Kate gets home. What do you guys want on it?

SUSAN: I'll eat anything but anchovies.

MITCH: I like pepperoni.

TOM: How about a pepperoni and mushroom pizza then?

SUSAN: Great.

MITCH: Sounds fine to me.
