

TEXACO

VOICE-OVER:
Did you know that by
carpooling, America can
save millions of gallons of
gasoline a day?

Or that finding alternate
methods of transportation
can save you hundreds of
dollars a year?

SPEED
LIMIT
55

SPEED
LIMIT
65

And that merely driving the
speed limit can help secure
America's energy future? The
truth is, when it comes to
energy conservation, it's the
little things that make the big
difference. Let's put our
energy into saving it.

THE FLOOD

WOMAN:
I know that rainstorms are common during the summer, but I can't believe it rained for nine hours yesterday.

MAN:
And the flooding was horrendous.

WOMAN:
How long did it take you to get home?

MAN:
Don't even ask.
