

KMARTSM — LEE ROWAN[®]

WOMAN:
I need a Lee Rowan[®]
shoe rack for my closet.
It holds eighteen pairs.

MAN:
Well, you don't really own
eighteen pairs of shoes.

WOMAN:
You know, you're right.
I'd better get another one.

AT THE COUNTER

MAN:

Can I have
a tuna fish sandwich,
a roast beef sandwich, and
two Cokes®, please?

CLERK:

Sure.

CLERK:

Is that on white,
rye, wheat,
or pumpernickel?

MAN:

White.

CLERK:

For here or to go?

MAN:

For here.

WOMAN:

Oscar, if we eat here,
I'll miss my soap opera.

MAN:

All right. To go, please.
