

## AN UNFORGETTABLE TRIP

**DARK-HAIRED GIRL:**  
I got a postcard from my friend Nancy, Grandma.

**ELDERLY WOMAN:**  
Oh, let me see it, Rachel.  
That's an impressive  
cathedral. Where did you  
say Nancy was?

**DARK-HAIRED GIRL:**  
She's traveling all around  
Europe with a bunch of friends  
from school. She says they'll be  
coming home by plane from  
Rome on Friday night.

**ELDERLY WOMAN:**  
I'm sure she's going  
to come home with  
some wonderful  
memories.

**DARK-HAIRED GIRL:**  
I know. I wish I could  
take a break from our  
sleepy hometown and  
go there some day.
